AND JUNIOR PROGRAM
GRADES 3-12

FALCON FOOTBALL BOOSTERS 2025

Get to know our program
and how you can support!

As always, the Falcon Football Boosters are looking for motivated, organized individuals willing to dedicate time to our program. Please reach out to a board member if you are interested in participating.

Welcome to Falcon Football

Whether you are a returning family or new to the program, we hope this packet gets you excited about the upcoming season and helps you “know your way around” the Falcon Football program.

As a member of Summit Football, you’re joining a program with a proud tradition of excellence – both on and off the field. The Falcon Football Boosters are dedicated to supporting and enhancing this program through volunteer efforts and fundraising initiatives, while also promoting the highest standards of spirit and sportsmanship.

Our mission is to champion the values of F.I.R.S.T. – Family, Integrity, Relentless Effort, Selflessness, and Toughness – throughout the entire Summit community, including players, students, staff, coaches, families, and local businesses.

Achieving this mission requires more than financial support. It takes the energy, creativity, and commitment of the entire Summit football family.

By working together at every level, we strengthen the program for both high school and junior players. These shared efforts enrich the experience of our young athletes and foster lasting unity and pride in our community.

Sponsorship opportunities

Financial support from sponsors plays a vital role in the success of the Falcon Football program. We offer a variety of sponsorship levels, each with unique benefits and visibility options. Our partners include local businesses, major corporations, alumni, families, individuals, and even anonymous donors.

Please take a moment to review our sponsorship flyer – and help us spread the word! Growing and sustaining our program depends on the continued generosity of supporters like you.

You might be the one we need

We believe that by carrying on the traditions developed over the years, you and the rest of the Falcon Football Boosters can continue to make this football season a great experience for everyone.

The best thing about all these events and traditions is how they help make Falcon Football a great experience for our students. Unfortunately, due to state funding procedures for school districts, it is very difficult for RSD to set aside adequate funds for the wide-ranging needs of this program. We support the program in several ways including, but not limited to, financial support for equipment purchases, facility maintenance and upgrades, transportation, meals, game day needs, and the year-end football banquet.

Booster support, for example, allows reconditioning and new helmets to be purchased every year so that older helmets can be rotated out of use. Our booster donated funds also provide for training tools such as cameras, drones, water machines, and even cargo trailers to haul it all. We also donate funds for facility improvements and field maintenance.

What to look forward to this season

We have put together a list of events and traditions that Falcon Football has done before and is likely to continue in the upcoming season.

ANNUAL CORNHOLE TOURNAMENT | FALCON FEST

Falcon Fest is our biggest fundraiser of the year – and the energy never disappoints! This year's event, held on Saturday, June 14, at the STL Athletic Center in Fenton, brought our community together for an unforgettable day of fun and fundraising. Whether playing or spectating, everyone enjoyed the excitement of cornhole, along with live auctions, raffles, prize drawings, great food, drinks, music, and plenty of Falcon spirit.

Planning and hosting this event takes major teamwork. If you're interested in sponsoring, donating, or volunteering for next year, please connect with a board member – we'd love your help.

Save the date: Falcon Fest 2026 is set for Saturday, July 25! You won't want to miss it.

Friday Night Lights!

TEAM MEALS

One of the most meaningful traditions in the Falcon Football program is providing a pre-game meal for every high school athlete – Freshman, JV, and Varsity – before they take the field. This effort requires both funding and many helping hands.

At the start of the season, the Team Meals Committee will reach out for support through sponsorships, food donations, or volunteer help with setup and serving.

Parents will typically receive a SignUp Genius link by email, please keep an eye out!

A guiding motto in our program is: *Many hands make light work*. All are welcome to pitch in!

HELMET/TUNNEL

Before every home game, the Falcon Helmet is inflated along with the tunnel. The team fills them both, waiting for the pre-game introductions and hype. If you are free Friday afternoons, please reach out to the Boosters as our Varsity Home Game Coordinator is always looking for eager volunteers passionate about Falcon spirit to help setup! Remember to cheer loud and remind our opponents what Summit is all about... respectfully of course!

Friday Night Lights! (continued)

HOMECOMING GAME AND PARADE

All levels of the Falcon Football program take part in the Homecoming Parade, held on the Friday evening before the Varsity home game. Each team designs and decorates a float, which players may ride during the parade. Volunteers also gather candy for the players to toss along the route. This festive tradition requires a driver, a trailer or similar vehicle for the float, and plenty of helping hands to bring the decorations to life.

FOOTBALL BANQUET

At the close of the season, the Falcon Football program hosts its annual banquets at a local venue. These special evenings celebrate the accomplishments of every level of play with dinner, awards, and recognition ceremonies. It's a meaningful way to reflect on the season and honor the hard work of our athletes and coaches.

MORE EVENTS

Beyond the banquet, the program offers several memorable events throughout the year – including Moms/Football 101, Ryan Hummert Night, JR Falcon Treat Night, and Tackle Cancer. We invite you to connect with a board member to learn how you can get involved. These years with our sons go by quickly, and your support means more to them than you may realize.
